New Therfield Chapel Website

The new Chapel website is now available at the address below. The previous site is still active for now at the usual address, but will soon be redirected to this new one.

Hopefully you'll see the benefits of updating right away, but some of the highlights are:

- New clearer design
- Direct link to the latest TC Times
- Links to sermons (both audio and text versions where available)
- Search functionality

There is still a bit of work to be done on the content, but even in its current state it should be far easier to use. If you spot any problems, or have any comments, please send them to ben.marsden@therfieldchapel.org
