

Viz-A-Viz present

An ideal event for unchurched friends

On Saturday 11th June we are thrilled to be co-hosting an evangelistic multi-media presentation entitled *More to Life* following a Garden Supper. These events will be taking place at Therfield Chapel. The supper will be at 7.00pm in the garden and the *More to Life* event will start at 8.00pm.

With a unique blend of video, theatre, music and down-to-earth chat, the *More to Life* show is cringe-free, entertaining and thought provoking. An ideal event for your unchurched friends.

The *More to Life* event is presented by evangelistic organisation Viz-A-Viz as part of a national tour. Viz-A-Viz, known for relevant communication of the gospel, have, in recent years, gained a reputation for creativity and professionalism world-wide. Their evangelistic videos *Tinsel & Truth* and *Three Days* have received airplay on a variety of international television stations and have sold over 27,500 copies. Viz-A-Viz bring this established brand of excellence in evangelism and communication to the *More to Life* tour.

Dennis Pethers is the founder and general director of Viz-A-Viz. Dennis presents and speaks in the *More to Life* show and is an international evangelist well known for communicating the gospel effectively to people of all ages. Converted from an unchurched background, his clear and down-to-earth style engages the audience who are encouraged to think about life and faith in a way that they can understand.

“Often we are so busy living we don’t have time to think about life,” says Dennis. “The *More to Life* presentation is moving and entertaining, people will laugh and cry but in the midst of this will think about the questions regarding faith that they are often too busy to consider.”

The show also features Envizage Theatre Company who perform throughout the evening. Their theatre is a moving portrayal of Jessica as she goes through life’s various stages. We meet her father, her husband Adam and, with Jessica, discover the importance of wonder, love, security and truth if life is to have real meaning. As with all good stories, the audience will be immersed in the theatre but as the story unfolds they find themselves reflecting on their own lives and experiences.

In addition, the large screen video, and professional sound and lighting create a high quality production that should not be missed.

Colossians 3 says:

Pray for us, too, that God may open a door for our message, so that we may proclaim the mystery of Christ ... Pray that I may proclaim it clearly, as I should
